The second one-hour virtual workshop from ERIC Forum 2 WP7 is taking place 23 October from 14:00 to 15:00 CEST, hosted by JIV-ERIC. The workshop will focus on Associate Membership with international partners and will include data from the EF2 report on engagement modalities with third countries, as well as insights from JIVE based on their experience. A Q&A/discussion will follow to gather further input and establish best practices. Here are the meeting agenda and the registration link.

This workshop is the second of a series of four, each addressing different mechanisms of engagement with third countries. For more information on registration, please contact John Dolan from Instruct-ERIC.
