Registration

Please register here (speakers do not need to register). All fields are mandatory. Password: **ERIC2021**

Your registration has been successfully submitted if your browser displays the following message: *'Thank you for providing the requested information. No further actions are required from you. You may close the page. Contribution ID: xxxxxxx'* with a link to print/receive the submitted form. No other acknowledgement will be sent.

Documentation

The workshop documentation (including Expert Group report and detailed programme) is available in the ERIC workshop public folder of the CIRCABC sharing platform.

Direct links: EGERIC draft final core report and folder; latest programme; workshop description.

Technicalities

The event will take place on WeBex. Above displayed times are Brussels times (UTC+02:00).

PC users will be able to join the meetings directly online. However, due to recent changes, WeBex requires Mac users to download and install the WeBex application in their machines before they can connect to the workshops of the event. For more info please visit https://help.webex.com/contact/

The browsers recommended by Cisco are Google Chrome, Microsoft Edge, Mozilla Firefox and Apple Safari. (version of Mozilla Firefox deployed on the Commission corporate PCs is not compatible with Webex)

Please note that each day has a different connection link. Ensure your **microphone is muted and your video camera is turned off** unless otherwise instructed. Please note that **the meeting will be recorded:** the recording won't be made public but will be available to the Commission staff and to the Expert Group 'EGERIC'.

Please connect making your name and affiliation or function visible e.g. John SMITH, xxxxx-ERIC, Exec Dir.
